) PURSUANT TO MPEP § 710.06

Assistant Commissioner For Patents
Washington, D.C. 20231

Dear Sir:

An Office Action dated May 23, 2002 provided only a one month shortened statutory period for response. Pursuant to MPEP § 710.02(b), however, a three month shortened statutory period for response should have been provided under the circumstances, because the Office Action was on the merits. As provided in MPEP § 710.06, it is requested that this error be corrected and that the period of reply be reset to run for three months from the date the correction is made.

In a telephone conference with the undersigned on May 28, 2002, the Examiner acknowledged that the Office Action should have provided a three month shortened statutory period for response and indicated that the Office Action would be reissued to set a three month shortened statutory period for response. The Examiner's consideration in the telephone conference is appreciated.

Respectfully submitted,
